

Brattleboro Elementary Band Section Leader

Hello band students! This year we are having auditions for section leaders for the band. The section leader will be a student leader within your instrument group (flutes, saxophones, ect.) that help Miss Fowler with different responsibilities to help the band. You will help pass out music, take attendance and help with concert set-up and performance equipment. If you would like to be a section leader, this form needs to be back to Miss Fowler by **Friday, October 21st**. Auditions will be held the following week. Below is some information of what a section leader is and what you need to do to audition. I hope you all will consider audition for this exciting opportunity. If you are not chosen as a section leader this year, do not be discouraged. Everyone is important to the success of the band!

Description of a Section Leader

The section leader team is an important student leadership group for ensuring the success of the band. While section leaders are primarily responsible for representing and relaying information to the members of their section, they also motivate, teach, inspire, and help the members of their sections in all sorts musical and non-musical ways. You will help Miss Fowler with passing out music, attendance of your section, and help with concert preparation. This will be a fun and exciting opportunity for you to grow as a leader within the band.

How to Audition for Section Leader

Miss Fowler will chose the section leaders based on the following criteria:

1. Skills, attitude and participation in band and sectionals.
2. A written paragraph that explains why you would like to be a section leader and how you feel you could help the band grow in this role.
3. A playing audition. Please play your Concert Scale and a piece of your choosing. This could be one of our concert songs, a piece from the book, or just a song you love!
